

In order to adopt, you may be asked:

- if you're at least 18 years old and to present valid photo ID with proof of current address.
- to provide proof of permission to house an animal (e.g. rental agreement, written landlord approval, proof of home ownership).
- if you are able and willing to spend the time and money necessary to provide proper care, training, medical treatment, and a lifelong home for the animal(s).

While we always make every effort to work with you to address concerns or find the most appropriate companion animal, we do reserve the right to refuse an adoption.
