Size Doesn't Matter!

MYTH BUSTING – BIG DOGS

MYTH #1

Big dogs can't live in apartments.

FALSE!

Dogs are extremely adaptable to their environment, and their size does not determine how much space or exercise they need.

MYTH #2

Big dogs are more aggressive than small dogs.

FALSE!

Size does not determine personality. Many large dogs are gentle giants.

MYTH #3

Big dogs aren't good with kids.

FALSE!

A large dog is just as likely to be great around kids as a smaller dog.
